Who controls your future?

Be prepared with Long Term Care (LTC) Insurance from Unum.

Your life, your choice

There are plenty of decisions to make for retirement...

- · Fishing or golf?
- Motor home or long-awaited cruise?
- A house at the beach or close to the grandchildren?

- Who would take care of me?
- · Where can I choose to receive care?
- Would I be a burden on my children if my savings couldn't cover my care?

What is long term care?

Whether it's due to a motorcycle accident or a serious illness, it is the type of care you may need if you couldn't independently perform the basic activities of daily living: bathing, dressing, using the toilet, transferring from one location to another, continence and eating, or if you suffered severe cognitive impairment from a condition such as Alzheimer's disease.

Who's at risk?

Long term care insurance is not just for the elderly.

- Only 16% of American workers say they are very confident they would have enough money to pay for long term care expenses in retirement.¹
- 70% of people turning age 65 can expect to use some form of long term care during their lives.²
- Annually, about 9 million people use long term care services.³

How does this coverage help?

Here are some examples of how you may use a long term care benefit of \$3,000 per month, based on the national averages for care:⁴

Home health:

 Long term care annual benefit 	\$36,000
 Home health aide (\$22/hour) 	- \$28,600/year*
• Left over for out-of-pocket expenses	= \$7,400

Assisted living:

 Long term care annual benefit 	\$36,000
 Assisted living (\$4,380/month) 	- 52,560/year**
• The cost of care you will pay out of pocket	= -\$16,560

Private nursing home:

Long term care annual benefitPrivate nursing home (\$273/day)	\$36,000 - \$99,645/year
• The cost of care you will pay out of pocket	= -\$63,645

*Based on receiving care five hours a day/five days a week at \$22/hour. For illustrative purposes only.

How to apply

Your benefit enrollment is coming soon. To learn more, watch for information from your employer.

^{**} For illustrative purposes only. Based on 100% home care and 100% assisted living facility. Other options may be available.

Get the coverage you need.

Won't my other insurance pay for long term care? Unfortunately, no.

- Medical insurance and Medicare are designed to pay for specific care for acute conditions — not for long term help with daily living.
- Medicaid only helps with long term care expenses after you have depleted virtually all of your assets. The exact amount varies by state but usually leaves just a few thousand dollars in total assets.*
 - Only long term care insurance may cover those costs and allow you to maintain as much of your assets as possible.

Do I need to be in a nursing home to use my LTC insurance?

If your plan includes a home health option, it will allow you to use your benefit to pay for an aide to come to your home, so you can remain in your residence as long as possible. For an extra premium, some plans allow you to pay a family member or friend to take care of you.

Why buy now?

People often buy long term care insurance at an early age, because the younger you are, the more affordable the rates.

Can Unum raise my LTC Insurance premium or cancel my policy?

- We will not cancel your coverage as long as your premiums are paid within your grace period.
- Premiums will not increase as you age or if a claim is filed.
- If premium rates are increased, it is done only on a class basis, meaning that a change in rate would apply to everyone in that class. Your rates can never be raised just for your policy alone.

Why buy coverage at work?

- **1.** You may get more affordable rates when you buy this coverage through your employer, and you may extend your coverage to your parents and spouse.
- **2.** Depending on your plan, you may be able to pay your premiums through convenient payroll deduction.

Additional help for caregivers

Even if you don't need long term care in the immediate future, you may be a caregiver for someone you love. As a Unum LTC customer, you have access to experienced claim professionals who can answer your claim questions and review whether long term care facilities and home service agencies are licensed and approved by Unum.

- Disabilities or confinements during which you are outside the United States, its territories or possessions for longer than 30 days,

- a Disability caused by psychological or psychiatric or mental conditions, regardless of cause, which include:
 - neurosis,
 - psychoneurosis,
 - psychopathy,

- schizo-affective disorders (bipolar or depressive).

Pre-existing Conditions Limitation

If you do not have to complete an Application for Long Term Care Insurance, which includes evidence of insurability, a pre-existing conditions limitation may apply to you.

"Pre-Existing Condition" means any condition that exists for which you received medical treatment, consultation, care or services, including diagnostic measures for the condition, or took drugs or medicines that were prescribed for the condition, during the six month period right before your coverage began.

THIS PLAN MAY NOT COVER ALL THE EXPENSES ASSOCIATED WITH YOUR LONG TERM CARE NEEDS.

8. RELATIONSHIP OF COST OF CARE AND BENEFITS

Because the costs of long term care services will likely increase over time, you should consider whether and how the benefits of this plan may be adjusted.

ELECTION TO INCREASE COVERAGE

You can apply at any time to increase coverage by filling out a new Benefit Election Form and a Long Term Care/Evidence of Insurability Application. If your application for an increase in coverage is approved, the premium for the increase will be based on your insurance age at the time you apply.

INFLATION INCREASES

If your plan includes an Inflation Protection option, your monthly benefit amount will increase each January 1st by 5%. Your remaining Lifetime Maximum Benefit Amount will also increase. Increases will be automatic and will occur regardless of your health and whether or not you have suffered a Disability. Your premium will not increase due to the automatic increases in your Monthly Benefit Amount.

9. TERMS UNDER WHICH THE GROUP COVERAGE THROUGH THE PLAN MAY BE CONTINUED IN FORCE OR DISCONTINUED

• **RENEWABILITY. THE POLICY IS GUARANTEED RENEWABLE**. This means you have the right, subject to the terms of the policy, to continue this coverage as long as you pay your premiums on time. UNUM cannot change any of the terms of the policy on its own except that, in the future, IT MAY INCREASE THE PREMIUM YOU PAY.

CONVERTED COVERAGE

If your group long term care coverage ends, for reasons other than your choice to have premium payments stopped for your coverage, you may elect converted coverage. This means that the same coverage you had under this plan can continue on a direct billed basis. If you are already direct billed, your coverage will automatically transfer to converted coverage.

Election for converted coverage must be made within 31 days of the date the group coverage would otherwise end. Evidence of insurability will not be required if you elect converted coverage. Any premium that applies must be paid directly to UNUM by you for any converted coverage to be continued.

WAIVER OF PREMIUM

When benefits become payable, there will be no more cost for your coverage as long as you continue to be eligible for a monthly benefit.

If your plan includes Professional Home Care Services and you do not receive these services for a period of 30 consecutive days, premium payments will again become due.

Premiums are <u>not waived</u> while you are receiving a payment for Respite Care.

10. ALZHEIMER'S DISEASE AND OTHER BIOLOGICALLY BASED BRAIN DISEASES/SERIOUS MENTAL ILLNESS

The policy provides coverage for Severe Cognitive Impairment. Severe Cognitive Impairment means a deterioration or loss in intellectual capacity, requiring Substantial Supervision by another individual for the purpose of protecting you from harming yourself or others, as measured by clinical diagnosis by a Physician authorized to make such a diagnosis. The diagnosis will include your medical history; physical, neurological, psychological and/or psychiatric evaluations; and laboratory findings. The loss can result from Alzheimer's disease or similar forms of dementia.

11. PREMIUM

Premiums are based on the plan design selected and the insurance age of each enrolled person. UNUM may change the premium rates when the terms of the policy are changed.

Premium due must be paid on or before the premium due date, or within the 65 day Grace Period. Grace Period means the number of days immediately following any premium due date during which premium payment must be made.

12. TEXAS DEPARTMENT IN INSURANCE'S CONSUMER HELP LINE

You may call the Texas Department of Insurance's Consumer Help Line at 1-800-252-3439 for agent, company and any other insurance information, and 1-800-599-SHOP to order publications related to long-term coverage, and the Texas Department of Aging at 1-800-252-0240 to receive counseling regarding the purchase of long-term care or other health care coverage.

13. DENIAL OF APPLICATION

If your application for long term care coverage is denied, we will return any premiums paid by you with your application within 30 days of the denial of the application.

14. OFFER OF INFLATION

The attached chart shows a comparison, over a period of 20 years, of a \$2,000 benefit with and without inflation. If your plan includes an Inflation Protection option, your monthly benefit amount will increase each January 1st by 5%. Increases will be automatic and will occur regardless of your health and whether or not you have suffered a Disability. Your premium will not increase due to the automatic increases in your Monthly Benefit Amount.

15. DISCLOSURE REGARDING FEDERAL TAX TREATMENT OF LONG TERM CARE INSURANCE POLICY

The policy is intended to be a qualified long term care contract as defined by the Internal Revenue Code of 1986, section 7702B(b). There may be tax consequences associated with the purchase of a qualified long term care insurance contract, such as the tax deductibility of premiums and the exclusion from taxable income of benefits. You are urged to consult with a qualified tax advisor.

16. ADDITIONAL FEATURES

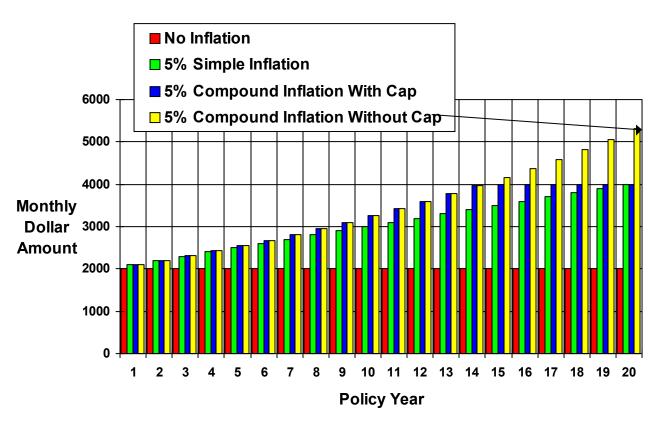

- Medical underwriting may be required
- You may provide your insurer with written designation of at least one person who is to receive any notice of cancellation of your coverage for nonpayment of premium, in addition to yourself. Designation will not constitute acceptance of any liability on the third party for services provided to you.
- If you become Disabled and your coverage terminates because a premium is not paid by the end of the 65 day Grace Period, you may request to reinstate your coverage at any time until five months from the coverage termination date. To reinstate your coverage, you must provide proof that your Disability occurred prior to the coverage termination date and you must pay all unpaid premium. If you meet these requirements, your coverage will be reinstated on the coverage termination date. Reinstated coverage will not cover any Disability which is excluded by name or description in the policy.
- If your coverage terminates because a premium is not paid by the end of the 65 day Grace Period, you will receive written notification from UNUM that your coverage will terminate. This notification will not be given until thirty (30) days after a premium is due and unpaid. If you have designated another person to receive notification of termination of insurance for nonpayment of premium, this notice will also be sent to him/her.
- If your stay in a Nursing Facility or Assisted Living Facility is interrupted because you are
 hospitalized and you are receiving a benefit, we will continue to pay you the Monthly Benefit
 Amount if a charge is made to reserve your Facility accommodations. Bed Reservation
 days are limited to 15 days per calendar year.
- If you are eligible for a home care benefit but benefits have not yet become payable, payments will be made to you for each day you receive Respite Care for up to 15 days each calendar year. "Respite Care" means care provided to you for a short period of time to allow your informal caregiver a break from their caregiving responsibilities. The amount of your payment will equal 1/30th of your home care monthly benefit for each day that you receive respite care.
- Eligibility and Participation

You are eligible for the plan if you are:

an Active employee of the Policyholder and your family members.

NOTICE TO APPLICANT REGARDING REPLACEMENT OF ACCIDENT AND SICKNESS NURSING HOME OR LONG-TERM CARE INSURANCE

SAVE THIS NOTICE! IT MAY BE IMPORTANT TO YOU IN THE FUTURE.

Do you intend to lapse or otherwise terminate existing accident and sickness, nursing home or long term care insurance and replace it with group long term care insurance to be issued by Unum Life Insurance Company of America? If so, you should review this new coverage carefully, comparing it with all accident and sickness, nursing home or long term care insurance coverage you now have, and terminate your present insurance only if, after due consideration, you find that purchase of this long term care coverage is a wise decision.

Your new certificate provides thirty (30) days within which you may decide, without cost, whether you desire to keep the insurance. For your own information and protection, you should be aware of and seriously consider certain factors which may affect the insurance protection available to you under the new certificate.

- Health conditions which you may presently have (pre-existing conditions) may not be immediately or fully covered under the new insurance. This could result in denial or delay in payment of benefits under the new insurance, whereas a similar claim might have been payable under your present insurance.
- 2. State law provides that your replacement coverage may not contain new pre-existing conditions or waiting periods. Your insurer will waive any time periods applicable to pre-existing conditions or waiting periods in the new coverage for similar benefits to the extent such time was spent (depleted) under the original coverage.
- 3. If you are replacing existing long term care insurance coverage, you may wish to secure the advice of your present insurer or its agent regarding the proposed replacement of your present insurance. This is not only your right, but it is also in your best interest to make sure you understand all the relevant factors involved in replacing your present coverage.
- 4. If, after due consideration, you still wish to terminate your present coverage and replace it with new coverage, be certain to truthfully and completely answer all questions on the application concerning your medical health history. Failure to include all material medical information on an application may provide a basis for the company to deny any future claims and to refund your premium as though your coverage had never been in force. After the application has been completed and before you sign it, reread it carefully to be certain that all information has been properly recorded.

LONG TERM CARE INSURANCE PERSONAL WORKSHEET

FOR THE STATE OF TEXAS

People buy long term care insurance for many reasons. Some don't want to use their own assets to pay for long term care. Some buy insurance to make sure they can choose the type of care they get. Others don't want their family to have to pay for care or don't want to go on Medicaid. However, long term care insurance may be expensive, and may not be right for everyone.

By state law, the insurance company must fill out part of the information on this worksheet and ask you to fill			
out the rest to help you and the company decide if you should buy this long term care insurance coverage.

Long Term Care Insurance Potential Rate Increase Disclosure Form

Unum Life Insurance Company of America 2211 Congress Street, Portland Maine 04122 (207) 575-2211

- 1. This long-term care coverage is Guaranteed Renewable. This means that the rates for this coverage may be increased in the future. Your rates CANNOT be increased due to your increasing age or declining health, but your rates may go up based on the experience of all insureds with a policy similar to yours.
- 2. If you receive a premium rate increase in the future, you will be notified of the new premium amount and you will be able to exercise at least one of the following options:
 - (a) Pay the increased premium and continue your coverage in force as is.
 - (b) Reduce your coverage benefits to a level such that your premiums will not increase.
 - (c) Exercise your long-term care contingent nonforfeiture option, if purchased. This option is available for purchase for an additional premium.
 - (d) Exercise your contingent nonforfeiture rights see No. 3. This option is available if you do not purchase a long-term care nonforfeiture option mentioned in (c) above.

3. Contingent Non-Forfeiture Rights

If the premium rate for your policy goes up in the future and you do not buy a long-term care nonforfeiture option, you may be eligible for contingent nonforfeiture. Here's how to tell if you are eligible:

- (a) You will keep some long-term care insurance coverage, if:
 - 1. Your premium after the increase exceeds your original premium by the percentage shown, or more, in the table provided on the next page; and
 - 2. You do not pay your premium within 120 days of the increase causing your policy to lapse.
- (b) The amount of coverage, new lifetime maximum benefit amount, etc., you will keep will equal the total amount of premiums you have paid since your policy was first issued. If you have already received benefits under the policy, so that the remaining maximum benefit amount is less than the total amount of premiums you have paid, the amount of coverage will be that remaining amount.
- (c) Except for this reduced lifetime maximum benefit amount, all other policy benefits will remain at the levels attained at the time of the lapse and will not increase thereafter.

Should you choose this Contingent Nonforfeiture option, your policy, with this reduced maximum benefit amount, will be considered "paid-up" with no further premiums due.

Example:

- You bought the policy at age 65 and paid the \$1,000 annual premium for ten years, so you have paid a total of \$10,000 in premium.
- In the eleventh year, you receive a rate increase of 50%, or \$500 for a new annual premium of \$1,500, and you decide to not pay any more premiums causing your policy to lapse.
- Your "paid-up" policy benefits are \$10,000, provided you have at least \$10,000 of benefits remaining under your policy.

Things You Should Know Before You Buy Long Term Care Insurance

Long Term Care • Insurance

- A long term care insurance policy may pay most of the costs for your care in a nursing home. Many policies also pay for care at home or other community settings. Since policies can vary in coverage, you should read this policy and make sure you understand what it covers before you buy it.
- You should not buy this insurance policy unless you can afford to pay the premiums every year. Remember that the company can increase premiums in the future.
- The personal worksheet includes questions designed to help you and the company determine whether this policy is suitable for your needs.

Medicare

Medicare does not pay for most of long term care.

Medicaid

- Medicaid will generally pay for long term care if you have very little income and few assets. You probably should **not** buy this policy if you are now eligible for Medicaid.
- Many people become eligible for Medicaid after they have used up their own financial resources by paying for long term care services.
- When Medicaid pays your spouse's nursing home bills, you are allowed to keep your house and furniture, a living allowance and some of your joint assets.
- Your choice of long term care services may be limited if you are receiving Medicaid. To learn more about Medicaid, contact your local or state Medicaid agency at 1-800-252-8263 or call 211.

Shopper's Guide

 Make sure the insurance company or agent gives you a copy of a booklet entitled "Long Term Care Insurance" published by the Texas Department of Insurance. Read it carefully. If you have decided to apply for long term care insurance, you have the right to return the policy within 30 days and get back any premium you have paid if you are dissatisfied for any reason or choose not to purchase the policy.

Counseling

• The Texas Health Information Counseling and Advocacy Program (HICAP) offers free one-to-one counseling services, concerning whether a long-term insurance is a suitable option for you, that can be assessed through the toll free number 1-800-252-9240. For insurance agent, insurance company, and any other long-term care insurance information, you may call the Consumer Help Line of the Texas Department of Insurance at 1-800-252-3439.

Facilities

• Some long term care insurance contracts provide for benefit payments in certain facilities only if the facilities are licensed or certified, such as in assisted living centers. However, not all states regulate these facilities in the same way. Also, many people move into a different state from where they purchased their long term care insurance policy. Read the policy carefully to determine what types of facilities qualify for benefit payments and to determine that payment for a covered service will be made if you move to a state that has a different licensing scheme for facilities than the one in which you purchased the policy.
